We pay homage to **Juan Ramón Jiménez** and celebrate the centenary of the first edition of *Platero y yo*, one of his most popular works. Juan Ramón Jiménez was a Spanish poet, a prolific writer who received the **Nobel Prize in Literature** in 1956. He was born in Moguer, near Huelva, in Andalusia, on 23 December 1881. He spent part of his life in Latin America and his town, Moguer, is closely related to **Christopher Columbus’** first voyage and to the **discovery of America**.
